In a rapidly evolving sales landscape, staying ahead means embracing change. By 2025, it's projected that:

- 80% of sales interactions will occur in digital channels.
- 60% of sales organizations will pivot from traditional methods to data-driven strategies.

Gartner's Future of Sales Report indicates the future success in sales will be determined by the right combination of technology, people, and process. Is your organization ready?

Discover how PXT Select® can elevate your sales performance at our virtual showcase, [PXT Select in Action: Building High-Performing Sales Teams](#). Gain insights, hear success stories, and take advantage of a free demo to run a pilot with your sales team.

During the showcase, you'll learn how to:

- Chart a course for sales excellence with a clear and actionable roadmap.

## One Assessment Thirteen Reporting Options

Unlike other assessments, the PXT Select™ uses a single assessment you can rely upon for a host of reporting options. This makes the assessment more valuable and affordable, since you pay only to score a person's results one time. After that, our reporting system lets you access additional reports without charge.

- Keep access to your data, without subscription cost.
- No charge for additional job models.
- No charge to compare a person to multiple jobs.
- No charge for personal relationship reporting.
- No charge for phone debriefs with a certified expert.

## *Don't Let Remote Work Curb Sales Development*

During this time, one of the most critical questions any President or CEO must face is: “How can I build and maintain a productive sales program?” My friend and associate, Troy “The Sales Navigator” Harrison, offers an answer through his Smooth Sailing Coaching Programs. No professional athlete has ever achieved greatness without collaboration with an equally skilled and passionate coach. In the same way, for long-term sales force development success, coaching can be essential to achieving your goals. Troy can help you focus and direct your efforts, streamlining product knowledge, creating fruitful lead generation, and putting the right processes and people in place. Troy’s programs include individual, autonomous activities, like my Sales Force Audit, or my Salary Calculator, and their success is built on the group and one-on-one skills coaching. These programs have produced dramatic growth for companies all over the USA – and whether you are located in his hometown of Kansas City, or from coast to coast, he can help you.
